In this summer camp, you can speak English all day, with English monitors. You can play a lot of sports: swimming, horse riding, basketball. You can do theatre, you can cook a typical English cake, you can dance in the disco at night.

Children sleep in a bungalow. A bungalow is a house made of wood. A bungalow has got two bedrooms, a bathroom, a kitchen and a living room. There are four children in a bungalow.

You have English monitors to do all the activities from 9:00 in the morning to 11:00 at night. You can only speak English all day. The monitors don't speak Spanish!

You can eat what you like at the restaurant: salad, beef, fish and chips, omelette, fruit, ice-cream...
