TEXT 2

Read these texts carefully and choose the best option for every question.

Dear Peter,

How are you? What are you doing in Salamanca? Lots of tourists?

I'm spending August with my family in our little apartment in Montgat, near Barcelona.

Every morning I go to the beach. I like swimming and playing volleyball on the beach. I'm also learning how to sail a small boat. We sail every Tuesday and Thursday. When the weather is good I really like it. But when the weather is very bad, I'm a little afraid of the sea. Then I prefer fishing on the coast.

In the afternoons I usually read and study a little. I have to take a Maths exam in September!

Miss you,

Sally

Dear Noah,

I'm on holiday with my older brother Rod. We are in Porto do Son, a little village on the Atlantic coast. Rod has a lot of friends and we have a lot of fun. The weather is very good. Every morning we go to the beach and they teach me how to surf. I love it but I fall off a lot and the water is very cold.

My brother is an expert at surfing. I hope to learn very soon. In the afternoons we cycle to the local villages and visit a lot of interesting places. I'm really having a very good time but I miss my friends from school. I hate to think that my holidays are finishing and have to go back to school soon.

Love,

Paul
