My favourite hobby

My name is Peter and I want to tell you about my favourite hobby. I like reading and my family like reading too. At home we have a lot of reading material.

I like to read books about adventures. My favourite book is *The Adventures of Tom Sawyer*. This book is about a boy and his adventures on the Mississippi River.

We have a basket full of books and magazines next to our favourite places to sit and read. There is a basket in the living room next to the sofa and another basket in my bedroom. In these baskets you can find magazines, audio books, comics, newspapers...

We usually have a reading time every day. In the afternoon when we finish our homework and in the evening before I go to sleep. I always read in my bedroom. I love reading in bed, but my mother always turns the lights off at half past nine.

Every night she says:

It's bedtime! Good night boys!
