London 2012 Olympic games

Athletics is an olympic sport since 1896. This competition requires the athletes to run faster, throw further and jump higher and longer than their rivals.

WHAT?

One of the most popular sports and with more competitors at the London 2012 Olympic Games is Athletics. There will be 2,000 athletes running, walking, jumping and throwing for gold.

There are four main types of competitions:

- Track competitions (for example 100 m).
- Field competitions (for example High Jump).
- Combined competitions (for example Decathlon).
- Road competitions (for example Marathon).

WHEN?

From Friday 3rd August to Sunday 12th August.

WHO?

There will be 2.000 athletes competing in 47 different events.

Did you know?

The Marathon race commemorates the run of a Greek soldier, Pheidippides. In 490 BC he took a message from the town of Marathon to Athens. When he arrived, he died. He ran 171 miles in two days!

Adapted from <http://www.london2012.com>

WHERE?

The Olympic and Paralympic competitions will take place in the Olympic Stadium, located in the south of the Olympic Park.

The road competitions will start and finish in The Mall, a famous avenue in the centre of London.

- B. The Marathon is a track competition.
- C. The Marathon will be on Sunday 4th August.
- D. The Marathon will start and finish in the Olympic Stadium.

16. Where will track, field and combined competitions be?

Susana's blog

Hi friends! I've got something really important to tell you. Next Wednesday it's my 14th birthday and I want to celebrate it with all of you. There will be a party in my house, **next Saturday 17th of May 2013** at 6 o'clock. There will be good pop music, Chinese food, sushi, hot dogs and pizzas.

My grandmother will make a big cheese cake. She's so nice! She promised me a very special present, an iPhone 4. We will take a lot of funny pictures with it!

Why do I love iPhone 4?

Because...

It is simple and easy to use.

It is elegant (you can choose it black or white).

You can view a web page whenever you want.

You can read e-mails and go into Facebook or Twitter easily.

You can have lots of images and photos. I love them!

The iPhone has all these things:

A long life battery	A 16 GB memory
A fantastic camera (8 megapixels)	USB
Internet	Bluetooth
Video recording	Changeable games
A good operating system	Calculator, alarm and calendar
GPS	Hands free
Dictionaries	Google maps
Photo call	Ipod audio
Video player	Photo editor

Bye, bye to my old mobile phone...

My father gave it to me two years ago. It was light blue.
It took good photos but it only had 4 megapixels.
Its games are old-fashioned. I want to play new games!

17. When is Susana's birthday?

18. In the text, Susana says that her grandmother...

- A. gave her an iPhone 4 for her last birthday.
- B. gave her an iPhone 4 for Christmas.
- C. will make a chocolate cake.
- D. will give her a special present.

19. When did Susana's father give her a mobile phone?

A. In 2009.

B. In 2010.

C. In 2011.

D. In 2012.

20. Which one of these sentences is FALSE?

- A. The iPhone has got a calculator.
- B. The iPhone has got a 16 GB memory.
- C. Susana's iPhone will be blue.
- D. Susana's iPhone will have a camera.

21. Which one of these functions does not Susana mention?

- A. Surfing the internet.
- B. Designing new games.
- C. Looking up words in the dictionary.
- D. Talking with the iPhone 4 without holding it in your hands.
